

For every article shall be a time of delivery of max. **10 days** for deliveries to Germany.

On the table below you'll find the time of delivery for shipping into other countries of the European Union, you may add to the delivery intervals to Germany. The base of delivery time data applies to the terms of German Federal Post. We are not able to give any information about delivery time for other countries not listed on the following board below.

The term of delivery starts after conclusion of a contract and finishes with expiration of the last day of the deadline. If the last day of a deadline hits a Saturday, Sunday or a generally regular holiday around the place of delivery, delivery will be replaced on the next working day.
